## Notices

Faculty and students wishing to meet delegates to the World University Service of Canada international seminar here are invited to attend an informal reception in the Student Union Building at noon Friday, July 21. Taking part in the seminar are 21 students and professors from Poland, France, Scotland, Ghana, Yugoslavia, Israel and Canada.

Registrations are invited for the following courses: Design, Stagecraft I, and Acting II, which will be offered by the Summer Theatre Workshop beginning July 17. Call 477-4821 for information.

The second of two bus tours of historic sites in Greater Victoria will leave the Victoria Art Gallery, 1040 Moss Street, at 2:00 p.m. July 29. Guide will be writer-historian James K. Nesbitt. Included will be stops at Craigflower Manor, Point Ellice House, and Craigdarroch Castle, and tea at the gallery at 4:15. The \$3 cost will cover all normal admission charges en route. For tickets and information, call the Student Union Building, local 359.

The Radio Society extends an open invitation to faculty and staff to visit its renovated studios in Hut "V" during the Summer Session.

## Faculty News

The University's new position of Director of the School of Nursing is now being advertised internationally. The School opens in September, enrolling first-year students only. Their program will be similar to that offered in the past by the faculty of arts and science. More specialized courses leading to a bachelor's degree in nursing are under development for 1968-69.

DR. J. B. MacLEAN (department of modern languages) was elected an executive member of the Canadian Association of University Teachers of German at its recent convention in Ottawa. He was also reappointed chairman of a committee on the study of teaching of German in Canadian high schools. The committee is working on a plan for Dominion-wide standardization of German instruction in Canada.

DR. R. M. PEARCE (department of physics) attended a Magnetic Conference at Oxford, England, from July 10 to 14.

DR. S. A. RYCE is acting head of the department of chemistry, pending the arrival in early August of the new head, DR. A. C. RIDDIFORD, formerly of the University of Southampton. Back with the department are DR. L. J. CLARK, who has returned from a year's sabbatical leave, and DR. A. D. KIRK, who spent two months at the University of Southern California as visiting professor.

## Faculty News

DR. ROBERT S. WACHAL, a linguist and assistant professor of English at the University of Iowa, is on campus during July and August collaborating with DR. OTFRIED SPREEN on a research project. Dr. Wachal has for the past year been the co-ordinator of the English language program for the Fulbright Commission in Greece and a professor of English at the University of Athens.

DR. F. P. ROBINSON (department of chemistry) has been elected chairman of the Vancouver Island section of the Chemical Institute of Canada.

A symposium on adhesion held recently at the University of Toronto was chaired by DR. R. N. O'BRIEN (department of chemistry). Dr. O'Brien also consulted in the setting up of a laser interferometry laboratory at the sea-water conversion laboratory of the University of California, Berkeley.

DR. GORDON BERTRAM (chairman of the department of economics and political science) was recently elected to the national executive of the newly formed Canadian Economics Association. At the June meeting of the Learned Societies at Carleton the Political Science Association was dissolved, and the Canadian Economics Association and the Canadian Political Science Association were created in its stead.

## Special Events

The School of Fine Arts Summer Music Festival continues into the second half of July. Featured in three of the remaining five recitals is internationally renowned harpsichordist George Malcolm. Tickets for individual performances are \$1.50 (students 75¢) and are on sale at the Student Union Building. The remaining recitals are: July 17, music by Robert Turner, Gerald Hendrie (new chairman of the University's division of music), Beethoven; July 18, George Malcolm lecture-recital; July 19 chamber music with George Malcolm; July 20, George Malcolm's second lecture-recital; July 21, closing concert by students.

The department of anthropology and sociology in co-operation with the pacific region of the Canadian Council of Christians and Jews is continuing its series of film discussions dealing with human relations. DR. DAVID PITT will lead a discussion July 19. The film will be A Long Way To Go, a documentary on the problems encountered by West Indian immigrants. Department head DR. ROY WATSON presents a film July 26 dramatizing the problems of a young Indian boy leaving the reserve titled The Transition. Time for both events is 12:30 p.m. The Education-Arts Lecture Theatre 144 is the place.
